

You are loved. You are not alone. You are known. You are important. You are forgiven. You are special. You have a purpose. You are held. You are equipped and able. You are blessed. You are guided.

You have a reason for hope.

About the middle of last year, I came across a YouTube video of an unboxing of a new bible from DaySpring. It was called the Hope and Encouragement Bible which, of course, in 2021 intrigued me. It is an NLT version bible, a journal format bible, lots of great reference info in the back and 12 Indisputable Truths spread throughout the Old and New Testaments. Each truth has 22 verses from across the entire bible that show how God uses these truths for us, in us and through us.

So....I want to start a once a month, Saturday morning bible study. 9AM-10:30AM normally on the **third** Saturday of each month. January will be on the 5th Saturday, because I'm getting a late start. Class will be in person at Bridgeway and on Zoom.

During our study I want to discuss what you learned, what surprised you, what touched you, etc. from the verses for the truth we are studying that month. So, one indisputable truth per month, with 22 verses to read, journal about, share your thoughts with the group.

You do not need to have this specific bible to participate in this study, but if you happen to be looking for a new bible this one would be worth it. Link to purchase it is below:

The attached PDF file lists the 12 truths and verses for each of those truths. I scanned the pages from my Hope and Encouragement Bible so the page references are for that particular bible. In addition to the 22 verses, each truth has a devotional page which I'll share with the group, and we'll discuss. We will start with "You are Loved".

I hope that this study will provide a bible group for those ladies who work and for whom an evening class may be difficult to attend or for those where a weekend day would just work better for them.

Please see the attached file and email (kriskcreates@gmail.com) or call/txt Kris at 602-625-9355 if you are interested in participating in this group. I will need your RSVP so that I can send out a Zoom link to all. And I'd like to send out the devotional page ahead of the class.

First class, 9AM, Saturday, January 29th! I look forward to going through the bible with you over the next year and that we can all find hope and encouragement in 2022!!
