Pastor Gregg Cantelmo

Life is filled with mysteries, some of which are difficult to understand. Habakkuk, the prophet, had some very real questions that he wrestled with God about. God's answer in 1:5-11 didn't help Habakkuk but only increased his wrestling and led to a second difficult question.

### The Question:

### WHAT HABAKKUK KNOWS ABOUT GOD:

His divine **N** \_\_\_\_\_ assures right action (v. 12).

God is the "**L** \_\_\_\_\_."

God is the **P** \_\_\_\_\_ LORD of those who trust Him (v. 12).

God is the **H** \_\_\_\_\_ One (v. 12).

### WHAT HABAKKUK LEARNS ABOUT GOD:

1. God can use a people whom He has **C** \_\_\_\_\_ (v. 13a).
2. God can use the **M** \_\_\_\_\_ wicked to discipline the **L** \_\_\_\_\_ wicked (v.13b).

3. God can use **I** \_\_\_\_\_ worshipers, who do not even know Him, as agents to perform His holy will (vv.14-15).
4. God can use a nation while it is **I** \_\_\_\_\_ its sin against Him (vv. 16-17).
5. Man must wait for God to **R** \_\_\_\_\_ the righteousness of His way (2:1).
