How we see people and how we respond to people reflects our relationship with Christ.

### 1. One who possess eternal life must see people with the H \_\_\_\_\_.

- A. Seeing with the heart means seeing with the \_\_\_\_\_ of Jesus.
- B. Seeing others with the heart of \_\_\_\_\_ (1 John 4:7-12).
- C. Seeing and treating others \_\_\_\_\_ (James 2:8-9).
- D. Seeing with the heart means \_\_\_\_\_ empathy.
- E. Seeing others with the heart means that our purpose will be in \_\_\_\_\_ to His.

### 2. One who possess eternal life R \_\_\_\_\_ to the needs of others.

- A. Why should we respond? Because:
  - 1. The Gospel is lifechanging.

- 2. The vertical must impact the horizontal (James 2:14-17).
- 3. The grace that saves is the grace that works (Ephesians 2:10; 1 Thess. 2:13; John 15:8).

### B. How do we develop the love of Christ? How do we respond?

- 1. React to others as you would to Jesus!
- 2. Keep your heart tender.
- 3. Participate in community events.
- 4. Reflect in the mirror of God's Word (James 1:22-24).

“In the mirror of God's Word we can see where we need to change and we allow God to re-align our heart with His.” (Dr. Michael Yusef)
