"In the beginning," a good God created a good world that reflected how good He is. Scripture is a revelation of God's story from creation to rebellion to restoration. It begins with God and ends with God, and we find ourselves somewhere in the middle.

The Story:

1. The Story begins with a **P**_____, not a thing.
2. God is the first piece of the Christian Story because the Story is all about **H**_____ and He is **C**_____.
(Isa. 42:5; Rev. 4:11; Psalm 51:10; Eph. 2:10; Rev. 21:5)
3. Everything He creates is **G**_____.
(Gen. 1:31)
4. In the Story we see that God is **R**_____.
(Gen. 1:26)
5. In the Story we see that God is an **I**_____.
(Gen. 1:28)
