Pastor Gregg Cantelmo

Psalm 23 provides us with a variety of life lessons that will enrich and direct our life. Along with encouraging practical and theological truths, it reminds us that if the Lord is our Shepherd, then that means we are sheep.

1. A sheep has no sense of **D**\_\_\_\_\_.
2. A sheep cannot **C**\_\_\_\_\_ himself.
3. A sheep is **H**\_\_\_\_\_ when injured.
4. A sheep is **D**\_\_\_\_\_.
5. A sheep cannot find **F**\_\_\_\_\_ and **W**\_\_\_\_\_.
6. A sheep is easily **F**\_\_\_\_\_.
7. A sheep's **W**\_\_\_\_\_ does not belong to the sheep.

**The Lord =**

**Shepherd =**

**Theology of Stuff:**

1. Your stuff isn't **Y**\_\_\_\_\_.
2. Your stuff isn't **Y**\_\_\_\_\_.
