

The Servant Conquers Darkness

Series: **Follow the Servant** Text: **Mark 5:1-20**

Pastor Gregg Cantelmo • October 17, 2021

After Jesus conquers danger (the storm), He confronts the spiritual forces of darkness. Again, Jesus is victorious, and from that encounter, we learn important truths about God, the spirit world, the struggles we face, and the power of Christ. As we examine this text, we see three different forces at work.

1. We see what S_____ can do (vv.1-5)
2. We see what S_____ can or cannot do.
3. We see what the S_____ can do. (vv. 6-20)
