Victory is a word that has great meaning when we look at Jesus in the gospels. We have already seen in the gospel of mark that Jesus has victory over danger and demons. Today we will see that He also has victory over death and disease.

DEATH (vv.22-24, 35-43) = Jairus' dying daughter

1. A word of **F**_____.(v.36)
2. A word of **H**_____.(vv. 38-40)
3. A word of **L**_____ and **P**_____ .(v.41)

DISEASE (vv.25-34) = an anonymous woman

Why didn't Jesus let her remain anonymous and go her way?

1. He did it for **H**_____ sake.
2. He did it for the sake of **J**_____.
3. He did it so she might be **R**_____ to the community and have the opportunity to **S**_____ and to **G**_____ the Lord.
