Men's Ministries

MEN'S BREAKFAST & IRRIGATION PROJECT

You're invited to join us for a morning of food, fellowship and faith building conversation followed by a work project to conduct necessary basic maintenance on BCC's landscaping irrigation system.

Our breakfast will focus on the concept of "living water" from the Bible. We'll explore what "living water" means, learn how to quench spiritual thirst and share the importance of serving as a source of living water ourselves.

Following breakfast, we'll work together to ensure our landscape receives the life providing water it needs. Many hands make for light work.
