Prayer Request

The Dale Family: Please pray for Aidan. He had 3 bad seizures Sunday and Brennan (older brother) found him on our tile floor, and he was transported to the hospital (11th time in the past year). CT came back ok and they kept him for 72 hours for observation. Meds have been adjusted and we have consultations set up with Neurologist, Epilepsy center and looking into Amen Clinics for complete brain scans and more direct treatment and therapies. It was a super scary scene and very traumatic for everyone. . . again.

Travis Dale served as an interim youth pastor at Bridgeway a few years ago. Aidan, 22, is the middle of three sons who all were part of our youth group. Aidan had a traumatic brain injury several years ago. Travis and Amy provide Christian Counseling services in Ahwatukee.
