Dear Prayer Warriors,

Munich International Community Church

After spending six months in the US, I stopped in Bangkok for a few months in order to print another 10,000 copies of my book for prisoners. Then, I flew to Munich, Germany to visit one of my supporting churches, Munich International Community Church (MICC). I had great quality time with the body of Christ at MICC, and experienced their loving care in tangible ways. It was great to meet many new people as it had been 12 years since my last visit. I was very encouraged to hear that many of the church members whom I had never met before, had been faithfully praying for me. They were very glad to finally meet me in person.

The Solomon family hosted me for six weeks and they certainly made me feel at home with their lovingkindness. I was able to get a lot of rest and have a good time of fellowship with them.

I also had two great weeks staying at Dennis and Jane De Vries' home. It was a good time of visiting and cooking for different people, as well as for showing Jane some Thai cooking!

Gisela Meinecke & Georg Huber

God surprised me in Munich, as Georg Huber (Director) and Gisela Meinecke (Administrator) of Germany's Precept Ministries told me that they liked my book immensely and would like to have it translated into German. They strongly believed that this book, "Knowing the One True God" would certainly meet the spiritual needs of the German people. As soon as they received my permission, Georg started the translation work, and it is now almost finished. Lord willing, he would like to have the German version printed before the end of this year. Please keep him in your prayers because he has sensed a strong battle from the enemy while working on this project!

Another surprise from the Lord is that the prison officials in Collin County, Texas are willing to receive 100 copies of my book, "Knowing the One True God" for their pod libraries so that the prisoners can read them. God has done this marvelous work through Susan Fletcher, my supporter who works as a commissioner in Collin County. Please also keep Susan in your prayers as she plans to seek permission from prison authorities in other parts of Texas as well. Thank you especially to those who have been helping pay for the books.

We continue to receive many letters from Thai prisoners who have read my book. They wrote to let us know how God has been using this book in their lives. Through the Gospel, that is presented clearly in my book, many souls have been saved, and many lives have been transformed for the better. Praise the Lord! Please pray that God will do a similar work among prisoners in the U.S.

Please keep me in prayer too, because my health is not doing well. I plan to continue taking a break at home until the end of this year.

In Him,

Mary Noi (Chanaddah Chaisakorn)
