

Finding Strength

Psalm 121

Pastor Gregg Cantelmo • January 19, 2025

The message of this Psalm is that God is your helper and your strength. The pilgrims to Jerusalem traveled together for fellowship and safety because the roads were dangerous. Dangers in modern society are just as great, if not greater. But God goes before you and stays awake to guide you and guard your path.

1. God is My **S**_____. (vv. 1-2)

2. God is My **S**_____. (vv. 3-4)

3. God is My **S**_____. (vv. 5-6)

4. God is My **S**_____. (vv. 7-8)
