Isaiah 55

Pastor Ben Joseph • August 11, 2024

-Many Christians give up on evangelism because they see no fruit from their labor.

-We are not responsible for results; we are only responsible for obedience.

-Here are three reasons why to persist in Missions.

1. God's _____ to seek Him for salvation continue: (Vs.1,3,6-7)

-1 Timothy 2:3

-2 Peter 3:9

-Acts 17:26-27)

2. God's ways of _____ are beyond human comprehension: (Vs.8-9)

-Salvation is an event while evangelism is a journey.

- "Evangelism is the process through which people flow toward the foot of the cross. Along the way there are many influences which God brings to bear. All work to bring that person to the point where "God gives the increase." Sometimes we reap what others have sown, other times we sow what others reap." (Joseph Aldrich)

-John 3:8
