

## **Fight to the Finish**

Text: Job 17-19

Pastor Gregg Cantelmo • August 24, 2025

Job was wronged by his friends. By what they thought about him and what they said about him. Their harsh words tormented him, broke him, and reproached him. Job held fast to his faith and gave one of the greatest declarations of faith in all of Scripture. In Job 17 Job loses hope. In Job 18 Bildad surmises that the wicked will die without hope and points at Job. In Job 19 we discover:

1. **Job's R**\_\_\_\_\_. (vv. 1-6)
2. **Job's R**\_\_\_\_\_. (vv. 7-12)
3. **Job's R**\_\_\_\_\_. (vv. 13-22)
4. **Job's R**\_\_\_\_\_. (vv. 23-29)

### **An OT Redeemer Could:**

- 1<sup>st</sup>—Buy back a relative's lost property.
- 2<sup>nd</sup>—Avenge a slain relative.
- 3<sup>rd</sup>—Buy a close relative out of slavery.
- 4<sup>th</sup>—Defend a close relative in a lawsuit.
- 5<sup>th</sup>—Marry a near relative's childless widow.
