

## How to Find God

Text: Job 23

Pastor Gregg Cantelmo • August 31, 2025

Job still wanted to meet God and get a fair trial, but he did not know where to find Him. In the end God showed up and asked Job to present his case. Job was speechless because beholding the majesty of God made all his arguments useless. He had seen God, and that was all that mattered.

At the end of chapter 22, Job's judgmental friends teach us two important lessons:

1. Never **P**\_\_\_\_\_ the Holy Spirit.
2. Never **J**\_\_\_\_\_ by outward **A**\_\_\_\_\_.

In chapter 23 we see:

A. Job's **D**\_\_\_\_\_. (23:1-9)

B. Job's **D**\_\_\_\_\_. (23:10-12)

C. Job's **D**\_\_\_\_\_. (23:13-17)
