

What is The Day of the Lord?

1 Thessalonians 5:1-2

Pastor Gregg Cantelmo • October 20, 2024

“The Day of the Lord” is that time when God will pour out His wrath on the world. God’s people have been saved from wrath, so they need not worry (v. 9; 1:10); but the lost world will be caught at a time when they think they are secure. Today we look at how “The Day of the Lord” is used throughout Scripture.
