

Love One Another

Text: Romans 12:10-11

Pastor Gregg Cantelmo • October 26, 2025

A story circulated in the early church saying that John so frequently repeated the injunction, “My little children, love one another” that his listeners grew tired of it and urged him to teach them something else. To which he supposedly replied, “My little children, love one another.” In our text today Paul shows how love is to operate in five areas as a loving family in the church.

1. **K**_____ (v. 10a)

2. **H**_____ (v. 10b)

3. **D**_____ (v. 11a)

4. **F**_____ (v. 11b)

5. **S**_____ (v. 11c)
