

4th Sunday of Advent—Love
Jacques Osley • December 21, 2025

We often treat love as something we “**F**_____.”

But biblical love is something we “**F**_____.”

1- Love that takes Risks

Advent love is not soft.

It is **D**_____. It is **D**_____. It is
D_____.

A love that risked everything, just to **R**_____ us.

A love that gave everything, just to **R**_____ us.

2- Love that tackles injustice

God’s Love would no longer tolerate

B_____, **B**_____, **B**_____, or
B_____.

3- Love that liberates

What we lose in **C**_____, we gain back in **C**_____.

What we give up in **P**_____, we receive back in **P**_____.

4- Love that invites us into Mission

I_____ Love is incomplete,

O_____ Love is the **G**_____ in motion.
